Personal Details

Date of Birth:16/08/2001

Father's Name: Deepak Verma

Internship-

Oasis Infobyte (june-July)

- During the internship,I gained practical experience in both web development design, which allowed me to apply theoretical concepts to real-world projects.
- I deepened my understanding of design principles by creating visually appealing and user-friendly interfaces for web pages.
- One of my key tasks involved designing and developing a homepage for a client's website.This task required me to understand the client's brand identity and incorporate it into the design.

Note Taking App

- UX Design
